SWIMMING LESSONS

Splash (lessons for 3 year olds)

Our Splash lessons are for children that are three years of age and in part-time school. These lessons have less children per group than our mainstream lessons and the Swim Teachers are in the water with the children.

Junior lessons

Our lessons are for children over four years of age that are in full-time education. The lessons are held after school and on Saturday mornings at each of our pools. The lessons follow the Swim Wales Aqua Passport framework. The framework ensures that children learn and develop all the skills required to become competent swimmers.

Adult lessons

These lessons are available at each pool and are available for non-swimmers up to competent swimmers that would like to improve their technique.

One-to-one & One to two lessons

We offer private swimming lessons for adults and juniors. These are offered outside the times of our swimming lesson programme.
